WasIstWas-Gladiatoren

QuidEstQuid-Gladiatores

Gladiatores - Editio Latina by Dr. Marcus Junkelmann - Hardcover, 48 p. more than 100 mostly coloured photos and drawings - 21 x 28 cm - Translated by Ulrich Krauße - ISBN: **978-3-9813892-2-7**

Life-or-death fight – that is, what the duels of the gladiators usually ment to be. Dr. Marcus Junkelmann, historian and archaeologist, takes us with him to a trip into the past. Since many years he dedicated himself to the reconstruction of the equipment and weapons of the gladiators. He proved himself the combat techniques of the fighters in many experiments and studies.

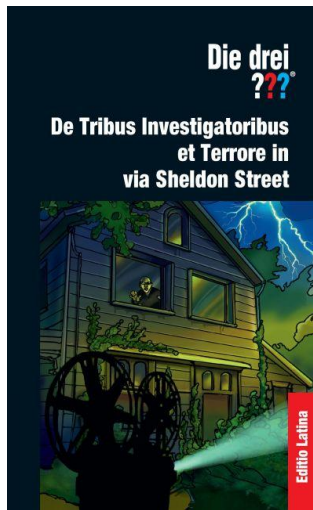

You get a removable vocabulary in **Latin – German, English**. The text is complete in Latin language.

The wonder of life

The Wonder of Life – Miraculum Vitae Special Issue 1: Das Wunder des Lebens, 108 p. More than 137 mostly colored photos and drawings. - 21 x 28 cm – Translated into Latin language by Ulrich Krauße - ISBN: **978-3-9813892-5-8**

The Wonder of Life was the biggest, longest, most sophisticated and most impressive project, that Armin Maiwald and his team ever had to handle. The long and dangerous journey that we all began in our mother's stomach is told in impressive pictures. And even the impacts on the married couple, the family and the whole surrounding area are parts of this story. The text is complete in Latin language and the vocabulary is Latin – German.
